Subject: Domestic Certification for Plain and Zinc Plated Low Carbon Threaded Rod All America Threaded Products

Mr. ,

This letter is to confirm that the plain and zinc plated threaded rod from All America Threaded Products, in a diameter range from  $\frac{1}{4}$  inch up to 2 inches, is produced in one of our manufacturing facilities located in Indianapolis, IN, Denver, CO, Kenilworth NJ, or Lancaster, PA.

We manufacture threaded rod in this size range from one of the following material types:

- ASTM C1006
- ASTM C1008
- ASTM C1010
- ASTM C1018
- ASTM A-36

As such, we comply with the Buy American Requirements for Construction Material, OPCO Regulatory Advisory 09-16 Revision 1, dated May 19, 2009. Note that all purchase orders issued to All America Threaded Products must state that domestic product is required.

Please let me know if you require any additional information.
